Generational Similarities Trump Differences in Workplace

The views expressed are those of the author and do not necessarily reflect the views of ASPA as an organization.

By Macel Ely
June 16, 2015

In recent years, much emphasis for training has been placed on the need to understand evolving demographic changes in the workplace. Both public and private sector administrators often hear about the need for better understanding and managing different generations represented in today's economy. In practical terms, there are
